I miss you

God why did you take her from me

Tell me its not true

Tell me its all a nightmare

Oh how i thought

This pain would heal by now

But here i am crying again

On the daily these tears love to fall down

I still need her

Dear mom

Miss you everyday

Why did you take her away

Dear god

Oh how i need her

So tell the angel to back off

And bring her home

Why

Why her

Why

Cant i let go

Dear mom i miss you everyday

Dear god why did you take her away

Why

Why her

Why her
