You really messed up  
Tore my heart apart  
You really fucked up  
Playing those dirty cards

Shame  
Shame on you for acting a fool  
Causing me so much pain  
But shame on me  
For staying as long as I did

Shame  
Shame on you for being so cruel  
Shame on me for  
Falling for your game  
Thinking things would change  
Shame shame shame

Shame on me  
Shame on you  
Shame on me  
Oh shame on me

Silence my pain  
Won't you let it fade away  
Tired of you game  
Tired of this pain  
Tired of you

Shame  
Shame on you for acting a fool  
Shame on me  
For thinking things would change  
And making me fall madly in love with you

Shame  
Shame on you  
Shame on me to  
Shame shame shame

Shame on you  
Shame on me  
Shame on you  
Shame shame shame  
Ohhh shame  
Shame on you  
Shame on me  
Shame on you  
Shame on me
